

Proudly presenting the **TANDEM** aluminum wheelchair by Continent Globe.

The many adjustment features of this wheelchair manage to meet the needs of most users and **TANDEM** is also a great asset for the attendant.

The brake system helps the attendant by slowing the wheelchair to a stop with ease and the adjustable height on the push handles provides comfort and contributes to avoid injury for the attendant.

### Included features:

- Push handles, adjustable in height
- Drum brakes for attendant
- Fast adjustment fork angle
