NEW COLORED DRIVE WHEEL CAPS

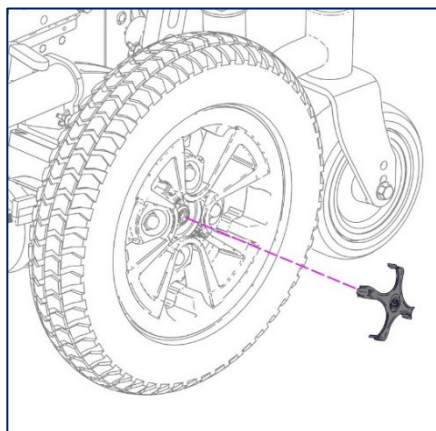

INTRODUCTION

Good news! In May 2023, we have added color to our Alltrack drive wheel. As standard, a matching cap will be installed at the factory on the drive wheel.

ADDITIONAL CAP

Features

- Drive wheel caps are standard on every Alltrack power chair with 14" and 12.5" drive wheels but are not available with 14" x 4" drive wheels.
- Available as a part for chairs already in the field, consult Parts Manual.
- Onyx Black Matte chairs will not receive a cap but a different complimentary color can be ordered by checking off on the Order Form.
- By default, chairs will receive a cap that matches the color of the shroud, but colors can be mixed and matched by checking off a different color on the Order Form.

Available colors

Bubble Gum
Metallic

Cabernet

Candy Red

Cobalt Blue

Habanero
Metallic

Indigo Blue

Sublime

Final Look

New Colored Drive Wheel Caps (cont'd)**OTHER IMPLICATIONS****Availability and Pricing**

Standard on-chair option, select your color on order form. If no color is selected, the cap will match the color of the chair by default. Processed orders can be modified upon request.

Aftermarket installation

Simply align and clip in place.

Corresponding updates

The option was added to the June 2023 Order Forms. The Parts Manual has been modified and is online.
